

Parga Walking Paths - Discover On Foot!

Explore Parga's scenic coastline and historic landmarks with these four walkable highlights. Each spot offers a unique mix of natural beauty, cultural richness, and peaceful charm—perfect for a half-day stroll or a relaxed exploration.

Points of Interest

Venetian Castle

Walk Distance: ~450m uphill from the town center

Step into Parga's History

Towering above the town, the Venetian Castle offers panoramic views of Parga, Valtos Beach, and the Ionian Sea. Originally built in the 11th century and fortified by the Venetians, it served as a stronghold against pirate and Ottoman invasions. Wander through its stone paths, admire the Lion of Venice emblem, and relax at the quaint café nestled inside the castle ruins.

Krioneri Beach

Walk Distance: ~200m from Parga center

Parga's Town Beach Escape

Just steps from the heart of town, Krioneri Beach is perfect for a quick swim and local charm. With calm waters, tavernas, and shops nearby, it's a lively hub that buzzes with energy. Don't miss the tiny island of Virgin Mary right offshore—you can paddle out or even swim across!

Piso Krioneri Beach

Walk Distance: ~300m east of Krioneri Beach

A Peaceful Cove Beneath the Hills

Tucked behind a rocky hill, Piso Krioneri is a quieter alternative to its neighbor. Its sheltered bay is ideal for a relaxed swim, surrounded by rugged cliffs and sea caves. With shallow waters and fewer crowds, it's a favorite for those seeking a tranquil seaside stop.

Valtos Beach

Walk Distance: ~850m via the castle path

Endless Coastline, Endless Fun

One of Greece's top-rated beaches, Valtos offers 3km of soft pebbles, crystal-clear waters, and a full range of amenities. Whether you're sunbathing, trying water sports, or grabbing lunch at a beachfront taverna, Valtos promises a perfect day by the sea. Take the scenic route via the castle or hop on a quick water taxi from the port.
